

KIOSKS 4 RENT

THE LEADING SUPPLIER OF KIOSK RENTALS

Affordable Modern Technology

Forget Trying to Keep Up with the Joneses...
Start Thinking About Keeping Up with the Jetsons.

Kiosk technologies once found only in cartoons like the Jetsons are all around us and changing at an amazing pace. It's easy to feel left behind trying to manage and cope with symptoms of growth while trying to match your competition dollar for dollar. **Renting has become a strategic option for many businesses who want to meet the explosive growth rate of self-service kiosk technology. Now you can take advantage of the latest technology in multimedia kiosks, with KIOSKS4RENT, the most comprehensive source for affordable short- to medium-term kiosk solutions.**

At KIOSKS4RENT, our goal is to help increase your visibility and drive more traffic to your business. You double your success when you achieve this while substantially saving money by renting.

KIOSKS4RENT offers the most affordable rental pricing packages available in the audio visual rental industry. The widest choice of models and options and our exclusive branding and color customization allows you to design a kiosk to your own specifications and achieve a unique presentation to your users.

KIOSKS4RENT enclosures can be configured with regular or touchscreens, standard or tamperproof keyboards, internal powered speakers, CD/DVD-ROM drives and cellphone/personal device charging capabilities. Our kiosks come standard with wireless and SiteKiosk browser lock software. Customized software and the most enclosure branding space in the industry is also available.

Don't waste money trying to keep up with the Joneses – some of them have pretty deep pockets. Just keep up with the Jetsons and rent your kiosk instead, with an affordable solution from KIOSKS4RENT.

Why Buy When You Can Rent?

Purchasing, maintaining, storing and shipping kiosks can be very expensive. **It makes more business sense to rent rather than buy** when you need a multimedia kiosk for a limited time, such as:

- Trade shows
- Special events
- Product marketing
- Corporate conferences
- Short-term industrial use
- Point-of-purchase product presentations
- Multimedia lectures
- Museum exhibits
- Sporting and entertainment events
- Hospitality information and guest check-in
- Contact information collection
- Contest registration
- Market research

The types of kiosk applications are endless!
